Dear Ms. Gilmore:

It is with great privilege that I write you this letter. I am the Founder of the Wounded Warriors in Action Foundation (WWIAF), a national non-profit organization that serves combat wounded heroes by connecting them to world-class sporting events. For the second year in a row, D.C. Everest employee Todd Bohm has hosted a combined turkey hunt and fishing event for our Purple Heart heroes.

Working completely independently, Todd once again put together a world-class event for these Purple Heart recipients; one that will forever be memorialized in their hearts and minds. Todd has served as a guide, mentor and faithful patriot to our nation's combat wounded veterans.

Todd asks nothing in return for his hard work and dedication. For his tremendous work on behalf of America's heroes, he should be commended.

Todd's actions reflect great credit upon himself, the fabulous community of Wausau, and the United States of America. He is an extraordinary teacher; exemplary coach, and tremendous patriot!

Should you ever want to contact me directly, my direct line is 813-579-8151 or, by email john@wwiaf.org.

Very sincerely and respectfully,
