Dear Dr. Gilmore:

I would like to bring to your attention the exemplary teaching ability of Brooke Wendorf. My oldest daughter, Rachel, was in her first grade class this year. Not only was Rachel very excited about school the entire year, but Mrs. Wendorf updated us regularly of Rachel's progress both academically and socially, in addition to answering all of the questions that we had. I was also impressed by the number of small things that Mrs. Wendorf did: personal notes to Rachel, personal emails to us as parents about Rachel's progress, words of encouragement, special project supplies, folders and other items she purchased out of her own funds, as well as her excitement and enthusiasm every day of the week. I know that every child in her class felt like they were important and that she personally cared about their education.

From my perspective of 19 years of my own education and 6 years of my children's education, Mrs. Wendorf is one of the most dedicated and caring teachers that I have ever known. The D.C. Everest School District and Rothschild Elementary will continue to excel when teachers such as Mrs. Wendorf educate our children.

Sincerely,
