

POLICY #5360.00

ELECTRONIC COMMUNICATION DEVICES

Adopted August 28, 1990 • Revised January 22, 2010 • Revised May 24, 2011

Student use of electronic communication devices, including but not limited to cell phones, on school premises are subject to restricted use during the school day. The use will be governed by the expectations of classroom teachers and school expectations delineated in the student handbook. The use may not in any way:

- Disrupt the educational process;
- Endanger the health or safety of the student or others;
- Infringe upon the rights of others at school;
- Involve illegal or prohibited conduct.

At no time may cell phones or other electronic communication devices be used to take, record or transfer photographs or video images of a person in school locker rooms, restrooms or other private areas.

The District shall not be responsible for the security or safety of electronic communication devices that students choose to bring to school.

Nothing within this policy shall be construed to limit a student's ability to possess and use an electronic device in a manner that functions as assistive technology necessary for a student's education and that is required under an individualized education plan or a Section 504 plan.

Any student found violating this policy shall be subject to school discipline. Students will be notified annually of this policy through registration materials and/or student handbooks.
