Nov. 2011

Dear Administrator / Kristine Gilmore, Superintendent:

The Wisconsin Health & Physical Education Association wishes to announce the recognition of Joanna Bailey, D. C. Everest H. S. Joanna received the Association Teaching Honor Award at our annual Convention in Wisconsin Dells on Oct 27, 2011.

This award is given to recognize outstanding teaching at all levels (elementary, middle, secondary; university). Recipients must conduct a quality Physical Education program based upon standards, use various teaching methodologies, serve as a personal role model for healthy living, participate in professional development as both a presenter and attendee at conferences and show leadership and service to the profession as an officer in a professional association or by writing / publishing within the field.

Mrs. Bailey has exhibited these characteristics in her teaching for many years and is helping to improve the quality of Physical Education programs throughout the State. She has given her best to the profession and others. It is for this dedication that WHPE has honored her with this award.

Please join WHPE in offering your congratulations to Joanna while she continues to serve the students and staff of your District.

Sincerely,

A handwritten signature in cursive script that reads 'Kristine R. Fritz'.

Kristine R. Fritz / WAHPERD Award Chair
