Dear Coach Aleckson:

On behalf of the administration and the D. C. Everest coaching staff, I would like to congratulate you on your selection into the Wisconsin Basketball Coaches Association's Hall of Fame. I know the awards program is not until next October, but I want to let you know that we are happy in your selection into this elite group of coaches.

This honor is well deserved in recognition of your knowledge, dedication, hard work, and countless hours you have given to both the girls and boys basketball programs, the student/athletes in the D. C. Everest School District, the Wisconsin Valley Conference, and basketball in the State of Wisconsin. The honors given to you from your peers are always very special.

I want to thank you for your many years of dedicated service to the district and the students in our district. Not only coaching the high school team for thirty plus years but, also all the thousands of hours of work you have done with the setting up and running the youth programs, summer camps, summer programs and the list goes on and on. The number of young men and women that you have had an impact on is immeasurable.

Again, Congratulations!

Sincerely,
