RE: 2009-10 Bus Route Ride Times  
DATE: October 19, 2009

---

I recommend approval of the attached report showing ride times for all routes in our district. Ride time improved over last year, which are also attached for your review. I would summarize the report by stating that First Student has done an excellent job of organizing the routes and that of all routes being run only three have actual bus ride times longer than 75 minutes. Of the three that do, two miss the mark by three minutes and one misses the mark by ten minutes. The three in question serve the Easton and Hatley attendance area. Considering the overall performance of routes vs. the increase in cost to tweak and eliminate all existing instances of 75-minute overage, this plan is acceptable.
