Socratic Dialog # 2

Chapters 3 & 4

Why do the Menominee say “we are the forest?”

How did the Menominee deal with the influx of New York Indians to Wisconsin?

How/why did the Menominee give up some of their land (e.g., Treaty of Butte des Morte – 1831, 1848 ceding of land)?

How did the Menominee sustain themselves economically (e.g., logging, forest management, Allotment Act)?

How did the U.S. government assimilate the Menominee through education (e.g., Browning Ruling, boarding schools)?

In what ways does the U.S. government mismanage Menominee resources?

What is termination? What impact does it have on the tribe?

How was the tribe restored (e.g., Ada Deer, DRUMS, Legend Lake project)?

How have the Menominee rebuilt since restoration?
